**Camburg's Marc Burnett wins SCORE's 41st Baja 1000!**

Huntington Beach, CA – With SCORE adding Class 6 for the Baja 1000, Marc Burnett was able to enter his unlimited Camburg Ford Ranger Edge and take the win.

Marc no stranger to racing, is a Baja 1000 Champion and has also won multiple Baja 500's on a motorcycle. With this being his first Baja 1000 in a truck he decided to drive all 631 miles himself and intern crossed the finish line first. It was a challenging race course but made for some exciting racing.

Expect to see great things from their team as they will be contending the entire BITD Class 7200 in 2009 with other select races and events.

Marc purchased Camburg's Ford Ranger Edge in 2008 and utilizes their race series front suspension, rear race series 3-link suspension among many other Camburg components.
